

"I'm not interested in competing
with any musicians.

www.musiciansunite.com

I hope we *ALL* make it
to where we want to go."

Not just me... a lot of musicians feel this way!

I've seen over the long, long time I have played music almost every stunt that can be used... usually to beat someone else out of a gig. The favorite though is cutting the price... some have no pride at all when it comes to this one!

I have usually been the financial guy in the bands I have played with, as most guys like to stick with the music side of the band.

The biggest one used is the old "Doing the gig for exposure"... exposure to what? is my question... quite often proposed by the "hirer" and agreed to by the guy trying to get the gig.

The other thing that is not completely uncommon is to see a venue cancel at the last minute and not pay the band... a band that is already there and quite often with their equipment set up.

This phenomena started in my hometown in Canada (which had a

very vibrant night life) around 1975... untalented folksingers who would “work for food” got to those clubs that believed they could make the same money with poor entertainment... although they “killed” a lot of business, unfortunately they killed themselves too!

“Always Have Fun”

AROUND THE RESTAURANTS AND BARS

MONDAY

You might want to call **Adelita Bar & Grill** at **766-0097** and make reservations... If you have problems getting reservations, please go down anyway... a lot of people go for supper at 5:30 and leave after the first set, and you can probably get in for the second set and a later dinner. **The Ajijic Jamm Band** with **Jonathan Guzman** on vocals and lead guitar, **Paul Brier** on vocals, guitar and saxophone, **Sergio Casas** on vocals and bass and **Chelo González** on drums. Things get underway at **7:30 PM**.

The Jazz Duet with **Juan Castañón** on guitar and **David Perez** on bass, will be playing every Monday morning at **Huerto Café** in Riberas del Pilar starting at **11.30 AM**. Great for starting the week, smooth music for coffee time!

Come see Hawaiian Superman himself at **La Tia Bar & Grill...Louis Pavao** – fun follows Louis around and he calls that fun... Aloha! So go have some Aloha with Louis from **4 to 6 PM**. La Tia Bar is that neat little “open to the street” bar about a block and a half towards the lake from the Ajijic Plaza.
