Contest Rules and Voting Schedule

PLEASE NOTE that voting indicates that you have read and agree to abide by these Contest Rules and Terms of Use.

The annual Lake Chapala Best of the Best, People's Choice Awards survey is sponsored by ImagenMX for the purpose of recognizing outstanding business practices and products, and providing valuable information to visitors, residents and prospective residents based on input from the Lakeside Chapala community.

Contest sponsors ImagenMx and staff are continually working to simplify and streamline the Best of the Best, People's Choice Awards voting polls. The voting process has been made faster and easier, with some valuable clarifications added to our rules.

The Awards survey concludes in mid-October, allowing winners to take greater advantage of publicity and promotional opportunities.

[NOMINEES](#)

Category nominees appear in alphabetical order by category. The preliminary names were compiled by: 1) public nominations, 2) multiple recommendations on area web sites and forums, and 3) based on votes or awards received in the previous year's survey. A Write-In nominee can be submitted throughout the Semi-Final Voting period. In this way, even new businesses can be added and compete. So that no one can monopolize the People's Choice Awards, we allow nominees to be entered in no more than THREE Semi-Final categories, and finalists in no more than TWO Final categories.

A Lakeside business may "opt-out" of being a survey contestant by sending an email with to imagenmxpublicidad@gmail.com, and including a contact name and phone number for verification.

Please note that Businesses who were nominated and subsequently eliminated in the SemiFinals -- or who opt out at any point -- are not eligible for participation in the Final Voting stage.

[VOTING SCHEDULE](#)

The upcoming People's Choice Awards survey is comprised of six sections, with related categories in each section. Here is the contest timetable:
