I have always called it...
“Smoozing!”

I have always loved “smoozing” and I am loving it more and more as I get older. What is “smoozing”?... it is chatting it up with people... not only at a gig but at a party or in a restaurant... anywhere there are people.

From my fortunate position in a great band, in a great club and in the greatest area I know... it is heaven to come off the stage and join that new face in the crowd or ones you haven't seen in a while and chat it up for a few minutes.

You find out wonderful things with and about wonderful people... always makes my time complete... I hope the “smoozees” enjoy those few moments too... I treasure every one!

Try it... you'll like it!

Nice to be back in town and able to spend some quality time doing this “little newsletter that grew” for you without a big rush and push... I’ve had a nice quiet 3 hours this morning and it’s only 9:30 AM... wait now for some more super things to come in.

We are having a great private Canadian Thanksgiving today and I think I’ll do some “smoozing” and find some of the things the delightful people I’m with are thankful for on this day and everyday!... I told you I love “smoozing”!

I look forward to seeing you somewhere... SOON!

Regards,

Francis Dryden
