

## First ones to go... Last to come back!

I am still trying to get money together to share among the professional Mexican musicians around my beat... these guys haven't played (and therefore zero income) since around March 15th... Over 2 months now.

I was hoping for 100 of our 1,800+ readers to give 1,000 Pesos and thereby 100,000 Pesos... and it doesn't look as though there will be 100,000 Pesos unless a miracle happens... please make it happen!

A good friend in Canada had asked me about the almost 6,000 Peso donation he had wired... checked at O'Rourke's and it hadn't come in... in 3 weeks! I asked my friend to send me a copy of the Transmission Receipt and we found the money sitting in another bank! Everything worked okay but it got me thinking. If you have wired money to the account 5057575 at O'Rourke's **please e-mail me a copy of the receipt you got from your bank (to [francis.dryden@gmail.com](mailto:francis.dryden@gmail.com)) ASAP** to make sure it isn't sitting somewhere... sorry about this but thanks for helping and understanding.

This will be my last push because these fine musicians need our help and it doesn't look like anything is coming soon for them. You can make a deposit in the account at **O'Rourke and Associates** next to Black's Coffee Gallery in the **Laguna Mall** across from Walmart. The account number is **5057575**... If you would like to do a transfer funds instead of going to the bank, please see the instructions below **AND SEND ME AN E-MAIL WITH THE TRANSMISSION RECEIPT FROM YOUR BANK IN THE US, CANADA OR MEXICO!**

Another great effort we have been supporting and seeking support for is the phenomenal task that **Martha** and **Javier** have been doing for over a month at their restaurant, **La Bodega de Ajijic** at 16 de Septiembre No. 124 in the village... the phone number is **(376) 766-1002**.

They are serving almost 700 hot meals **A DAY** to people in need in Ajijic... Anastasia and I have been helping as have some other fine people... but, that's a lot of food folks and there really is no end in sight. Javier has said he can provide a meal a day for one month for 500 Pesos per person. This is a task worth supporting folks and if you would drop off a donation at the restaurant in an envelope with your name and contact on it... it will go to very good use believe me!

Martha and Javier sent me the following in Spanish:

**Con gran satisfacción y muy agradecidos, " MANITAS AYUDANDO", les informa que gracias a sus aportaciones voluntarias se recaudó la cantidad de \$103,177 con los que se logró servir 8,595 comidas durante el mes de Abril. Queremos que este proyecto no se detenga por lo que esperamos seguir contando con su ayuda económica de 500 pesos al mes. Las personas que gusten ayudar pueden poner el dinero en un sobre por debajo de la puerta del restaurante, favor de dar sus datos para poder darles las gracias.**

**Hemos crecido rápidamente en este primer mes a la fecha servimos 565 platillos diarios. MANITAS AYUDANDO Y LAS FAMILIAS beneficiadas agradecen su apoyo incondicional GRACIAS.**

Ginetta came down to do two shows just before the shutdown in mid-March... she is her same bubbly self and if you like jazz your going to love her show on Facebook.

Things finally seem to loosening up slowly but as I said earlier... nothing going on for the great professional Mexican musicians in our wonderful Lakeside!

Hope to be back soon with some of the great activities we had!

¡Gracias y Abrazos!  
Francis
