**You get old because you stop  
playing music.**

**PLAY MUSIC.  
STAY YOUNG FOREVER.**

The whole truth...  
And nothin' but the truth!

I haven't played since March 10<sup>th</sup>... that's 7 bloody months. I had my annual check-up the other day and got hell from the doctor for snapping on some weight, high cholesterol, not getting enough exercise. I also had a pretty bad fall and hurt my elbow and wrist a couple of months ago... and I believe it's all from not getting out to play every week... I get an amazing workout from a night's performance.

I also want to mention that I got a note from Yann Kostick that owns Oui Oui French Restaurant, with the lovely Gaby, that they will close down until October 1<sup>st</sup> to get some new acts and some old ones "tuned up"... there might be some changes made to their great spot on Independencia... going to miss them for a couple of weeks though, as I have really been enjoying their music and food.
