

**Make reservations if you are going out!  
Cancel reservations if your plans change!**

I am really ticked off! I am out at a lot of restaurants, etc... we are out almost every day usually twice. A lot of places are not that busy as a rule BUT in the evening when they have entertainment... they are busy... especially if the venue has got more popular entertainers.

We were out to two clubs today (Sunday)... both with entertainment. We had reservations but couldn't get the table we like to have because it was reserved before we called. So we had to take another table, which we did. The table we wanted sat there empty because someone booked the table, didn't show up AND didn't take a minute to call and cancel their reservation! I don't

know what you may like to call this but (especially with the venues with restricted seating) is pure, unadulterated ignorance.

That table sat empty most of the evening with people having to take lesser tables away from the entertainment! There is absolutely NO EXCUSE!

There, I got that off my chest... let's see what's up for this week!
