

Meet the one and only... Sergio Casas!

I was talking to Sergio last night after his gig at Scallions (incredible night with a super crowd) and his problem is a nerve problem within his voice box... he just cannot sing and although he is a super bass and guitar player, he was (and will be again) a super singer!

What this means is that the costs will be considerably less than originally anticipated but we still have a few hills to climb... a huge big thank you to all who have contributed generously to the account below! But we still have a couple of hills to climb and by damn we're going to climb them!

I like to give my late bandmate, Paul Brier, his just due after all, he started this fund with me about 7 years ago to help Jonathan Guzman with his voice problems... bless you Paul!

The account is set up in my name at O'Rourke's in the Laguna Mall and the number of it is **5057575** and if you just ask Suzy... she will help you. You have my e-mail and my phone number is (376)765-4619... I will do whatever it takes to help you and thereby Sergio! Thanks a million!!
