

It's just music they say. But, it's not *just music*. It's family. It's how people feel alive. It's their safe haven, where they go to escape the world, even for a little while. **Music is so much more than people realize.**

The scene at La Bodega last week Was MAGICAL!!!

The musicians just kept coming and coming... the audience was terrific and it was a full house. Everyone was there to help Sergio Casas get his wonderful voice back.

We had a similar problem with another great singer a couple of years ago and Sergio will be seeing the same specialist in Guadalajara. I hope we have things done but I know in my heart you will be there should we run short or (God forbid) another need arises.

He may be able to play soon after his medical procedure but it will be a while until we hear his wonderful voice again!

To all singers... perhaps take the time to have some professional lessons on singing from the diaphragm instead of the throat! Especially if you are singing a lot.

And another thing! From my own lifetime in music... check out the new ear plugs available! I have been wearing hearing aids for almost 50 years now and they aren't getting any cheaper. I was just fitted for a new pair (they don't last forever) last week... 63,000 Pesos and they only last about 5 years. If you are playing think about spending 1,000 Pesos or so on these and hopefully save you a lot of money and grief over the years... Music is tough on the ears!... that goes for audiences too! You can still hear everything with them but they'll be worth it to you.

Have a great week and I'll see you somewhere... SOON!

Always Have Fun!!

LIVE THEATRE

**- Season Tickets for Season 58 -
Renewal emails coming to you soon!**

The season line-up, including plays and dates, was announced in March and a minor change was made since then. Twelfth Night will replace Taming of the Shrew as our Shakespeare offering in November.

If you had a season ticket for Season 57, then you will soon be receiving an email asking if you want to renew the exact same seats for the same night for Season 58 and instructing you how you can pay for this online. You will also have a chance to change your seat or day, dependent on availability, prior to committing. Any desired changes should be requested by replying to this email or write to tickets@lakesidelittletheatre.com prior to coming to the box office to facilitate your purchase. The box office will be open on July 13 and 14 so that people can also renew in person. You can also decide not to renew -- but then you'd miss out on a great season!

In July emails will be sent to people who had season tickets in Season 55 but didn't renew, mainly due to COVID concerns. Reservations will be made for them closest to the seats they had in the 2019-2020 season. Again, they can simply renew by finalizing the purchase, opt to change seat or day by replying to this email or write to tickets@lakesidelittletheatre.com, or alternatively decide not to renew. The box office will be open again on July 27 and 28 to execute purchases.

After renewals have been processed, an announcement will go out to the general email list in early August allowing people to purchase season tickets online or come to the box office on two dates in August, to be announced closer to the dates.

SEASON & PRICING:

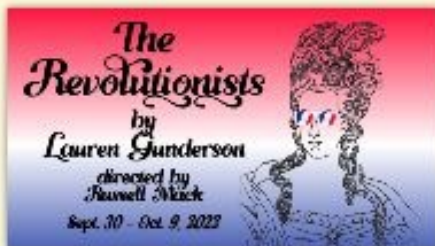

The upcoming season has five shows - four plays and a musical - at a price of 1,300 pesos for all 5 MainStage shows, and a 300 peso theatre membership. Individual show tickets are being increased from 300 for plays to 350 and from 350 to 400 for the musical. A season ticket affords you a savings of 100 pesos on each show plus a free membership!

If you have any questions, please reply to this email.
