**True words!!!
Here are some more!!!**

You know this guide comes out every Monday and has since I took it over about 12 years ago. I have seen this grow from 178 e-mails one page long to about 1,800 e-mails and appearing on 4 web sites... that's growth.

I spend every Sunday evening (until usually about 2:00 AM) putting all the graphics together and Mondays getting it out... all at absolutely NO COST to anybody! But you know, I can't be out at 81 years of age to all the clubs getting and double checking this information!

Last week (and I thank him) a guy called to let me know that they went to a club and there was NO BAND THERE!... and hadn't been for quite a while the guy found out! If there is anybody out there that thinks that's fair or funny... how would they like to take this thing over???

If you see this yourself... please let me know AND if you are a performer... send me your ads... I get to 3,000+ people every week!

"Bluegrass & Beyond" w/ Jeffree White & Jan Reimers

duo w/ guitar, mandolin & vocals
Tuesdays noon-2pm

at the Huerto Cafe: Hidalgo 212 in Riberas del Pilar

Expert mandolinist Jan Reimers and multi-instrumentalist Jeffree White share a love of bluegrass, but also much more music than that! They present a variety of instrumental & vocal music, inspired by David Grisman's "Dawg music", vintage swing, fiddle tunes, exotic waltzes, Latin rhythms, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'!

You can find several videos in a playlist on YouTube (search band name or our names).
