

And that's the TRUTH!!!

I don't play much anymore... kinda beat myself up over the 68 years I played in bands... But music really does make me happy.

I admit not all music makes me happy but all music makes someone happy and that's what counts the most!

So get out and enjoy the great entertainment that we are blessed with here at Lakeside... see you somewhere SOON!

Francis

Mariachi magic comes to Lakeside: Two free festival shows in August

Tickets for the concert in Ajijic are free but are going fast: Get them at boletia.com

By Dale Hoyt Palfrey

With the 2025 edition of the Encuentro Internacional del Mariachi y la Charrería fast approaching, the Guadalajara Chamber of Commerce has confirmed that two major mariachi performances will be held at lakeside.

The first performance, featuring mariachi troupes from guest nations, is scheduled for Saturday, August 30, at 7 p.m. at the Centro para la Cultura y Las Artes de La Ribera (CCAR) in La Floresta. Admission is free, but tickets are available on a first-come, first-served basis - and they are going fast! Tickets can be obtained at the CCAR box office, open Wednesday through Friday from 11 a.m. to 2 p.m., or online at boletia.com (just type "mariachi" into the search box).

Back-to-back free International Mariachi Festival concerts are scheduled in Ajijic and Chapala on August 30 and 31. Mariachi bands from Bolivia, Colombia, Cuba, Ecuador, Perú, the Dominican Republic, Spain and the United States will mix it up with Mexican musicians during the practical workshops and public performances coming up during the August 27 to September 7 bash.

The second local festival event will take place on Sunday, August 31, 7:30 p.m. at Chapala's scenic Malecón, where the stunning view of Lake Chapala will provide a natural backdrop. This concert is also free to attend. No tickets required.

Ajijic is one of 12 Jalisco Pueblos Mágicos hosting participating mariachi bands from abroad during the festival, which runs from August 27 to September 7. Other Magic Towns include Cocula, Lagos de Moreno, Mascota, Mazamitla, San Sebas-

tián del Oeste, Sayula, Talpa de Allende, Tapalpa, Temacapulín, Tequila and Tlaquepaque.

The XXXII edition of the mariachi festival also includes the National Charro Championship on Saturday, September 6, at the Lienzo Charro Nito Aceves arena, located just a short distance from lakeside in La Calera, on the road to Cajititlán. The competition will feature three rounds of horsemanship with live mariachi music, starting at 11:30 a.m., 3 p.m., and 6:30 p.m. Admission is 100 pesos per person at the gate.

For more details, visit the official website at mariachi-jalisco.com.mx and check the El Encuentro dropdown menu

Mariachi background

Mariachi music originated primarily in Jalisco in the 19th century, with Cocula recognized as the birthplace of the genre. It evolved from regional folk music, incorporating indigenous, Spanish, and African influences. The genre's popularity surged in the 20th century, becoming an iconic symbol of Mexican national identity.

It is formed by musicians characterized by their youth, talent and musical preparation. Four women at a lingerie sale have nothing in common but a black lace bra, memory loss, hot flashes, night sweats, too much sex, not enough sex and more! This hilarious musical with tunes from the '60s, '70s and '80s will have you dancing in the aisles!

An intimate, poignant play that explores the power of human connection. Reeling from an unexpected heart transplant, Joy is drawn to contact the donor's family, resulting in a roller coaster of tears, laughter, and healing.

A supernatural comedy hit, this much-revived classic offers wit, conflict and big laughs. An ornery novelist finds himself haunted by the ghost of his first wife. Only he can see or hear her, but that doesn't stop her attempts to destroy his new marriage.

This drama defies expectations and works almost like a thriller, with a sinister Pinteresque edge, as complete strangers keep turning up in Andre's flat. Full of guile, toying with time, it makes you question truth and the nature of reality.

An outrageous, crowd-pleasing musical farce, loved by audience members and critics alike. Set in 1595 in a theatrical world where the Bottom brothers compete with the wildly popular William Shakespeare, and set out to write the very first musical.

The Daily Mail called it "a truly theatrical spine chiller!" A lawyer hires an actor to tutor him in recounting to family and friends an event that has long troubled him, the funeral of an elderly recluse.
