Four women at a lingerie sale have nothing in common but a black lace bra, memory loss, hot flashes, night sweats, too much sex, not enough sex and more! This hilarious musical with tunes from the '60s, '70s and '80s will have you dancing in the aisles!

An intimate, poignant play that explores the power of human connection. Reeling from an unexpected heart transplant, Joy is drawn to contact the donor's family, resulting in a roller coaster of tears, laughter, and healing.

A supernatural comedy hit, this much-revived classic offers wit, conflict and big laughs. An ornery novelist finds himself haunted by the ghost of his first wife. Only he can see or hear her, but that doesn't stop her attempts to destroy his new marriage.

This drama defies expectations and works almost like a thriller, with a sinister Pinteresque edge, as complete strangers keep turning up in Andre's flat. Full of guile, toying with time, it makes you question truth and the nature of reality.

An outrageous, crowd-pleasing musical farce, loved by audience members and critics alike. Set in 1595 in a theatrical world where the Bottom brothers compete with the wildly popular William Shakespeare, and set out to write the very first musical.

The Daily Mail called it "a truly theatrical spine chiller!" A lawyer hires an actor to tutor him in recounting to family and friends an event that has long troubled him, the funeral of an elderly recluse.
