"WRITE ME A WOMAN WHO FIGHTS FOR WHAT SHE WANTS."

Emilia Bassano, believed to be "Dark Lady" in Shakespeare's sonnets, was a talented musician and England's first female published poet. She was also multilingual, multiracial and a force to be reckoned with. In this witty and intimate production, Shakespeare and Bassano collide as they wrestle with artistic collaboration, ambition, envy, and love—an entanglement that will profoundly shape both their lives and their work.
