

*“Learning how to play a musical instrument is giving yourself a beautiful gift that will continue to pay off in so many fantastic ways for the rest of your life.”*

[www.musiciansunite.com](http://www.musiciansunite.com)

**And it is never too late...  
To start!**

I was lucky... my Dad was a musician. He started my in lessons when I was 8 years old. The drummer in his band quit and he asked me to play... I was lucky and ended up playing until I was 81.

I, by then had neuropathy pretty bad, couldn't be running around packing my kit to practice anymore... so decided to pack it in. Oh I still get asked to sit in once in a while and do the odd jam... but I gave my drum kit to the Prep School over in Chapala. I am going over there one day and show the kid playing them a couple of things I learned very early that will help him and the band he backs... one of these days!
