For the week of August 3rd to August 9th, 2026

AROUND THE RESTAURANTS AND BARS

**“Musicians hear
music differently
than non-musicians.
They listen differently
www.musiciansunite.com
and can hear what
other people typically
overlook in a song.”**

And that’s the WHOLE truth!

Probably the greatest truth to this statement occurs when an audience member, or worse yet, the whole audience start “clapping to the music”... most will clap on the 1 and 3 beats instead of the 2 and 4 beats! This throws musicians out every time and it’s nearly impossible to change them.

Quite often the singer in the band will start clapping (on the right beat)... stop if your clapping and follow the singer’s lead... please!

Good Afternoon Everyone

Last year the 16 year old pianist Alexander Vivero made a sensational appearance with the orchestra playing Ravel's Piano Concerto. Those of you that were there will never forget it!

Alexander is coming back on Saturday August 15 to give a solo piano recital as part of our Summer Series. This will be quite the event!

The program will include works by Chopin, Beethoven and Bach.

The venue is St. Andrew's Anglican Church, San Lucas 19, Riberas and the concert starts at 4pm.

The church, which is air conditioned, seats 100 people and there are only 40 seats remaining so to avoid disappointment we advise you to book as soon as possible.

Tickets are \$400 and can be reserved by email at LCCOtickets@gmail.com.

We look forward to seeing you at the concert.
